Governance. Diplomacy. Impact

Positioning & Value Proposition

M.D.I. CONSULTING

International strategic advisory and advocacy firm connecting governance, rule of law, human rights, justice, security, diplomacy and culture to shape decisions, mobilise stakeholders and accelerate impact.

VALUE PROPOSITION

Turning complexity into strategy, strategy into action and action into lasting impact.

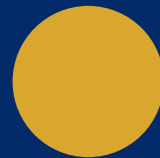

ADVOCATE

Advance clear positions and credible recommendations.

CONVENE

Build targeted alliances around shared priorities.

DELIVER IMPACT

Translate influence into measurable and sustainable results.

SIGNATURE

ONE M.D.I. - INTEGRATED STRATEGY. MEASURABLE IMPACT.

Results at a Glance and Four Strategic Pillars

A Seven-Step Operational Cycle

1

LISTEN

Needs, context, stakeholders and intended results.

2

DIAGNOSE

Risks, constraints, opportunities and leverage points.

3

INTEGRATE EXPERTISE

Lead practice area and a tailored multidisciplinary task team.

4

DESIGN

Priorities, options, recommendations and implementation roadmap.

5

SUPPORT DECISION-MAKING

Executive briefs, dialogue, strategic choices and advocacy.

6

IMPLEMENT & TRANSFER

Technical assistance, training, advisory support and knowledge transfer.

7

MEASURE IMPACT

Results, transformation, sustainability and institutional learning.

Seven Ready-to-Deploy Offers

1

Institutional Resilience Diagnostic

Assess 3-5 institutions across justice, security, parliament and training academies.
Combine interviews, desk review and a performance dashboard to identify priority reforms.

2

Accessible Justice & Accountable Institutions

Strengthen access to justice through legal clinics, training and institutional dialogue.
Engage magistrates, parliamentarians, security services, judicial police and civil society.

3

Fragile States Strategic Facility

Map risks, develop stabilisation scenarios and reinforce early-warning mechanisms.
Support peacekeeping and election monitoring to strengthen institutional preparedness.

4

Strategic Dialogue & Quiet Diplomacy

Facilitate high-level dialogue, stakeholder mapping and negotiation scenarios.
Provide strategic advice, policy advocacy and support to parliamentary dialogue.

5

Executive Leadership & Impact Academy

Build leadership and operational capacity of parliamentarians, public officials and security actors.
Deliver training, coaching and mentoring with parliaments and training academies.

6

Cultural Diplomacy, Art & Heritage

Mobilise culture, art and heritage to strengthen dialogue, trust and social cohesion.
Engage civil society, youth, parliamentarians, schools and institutions.

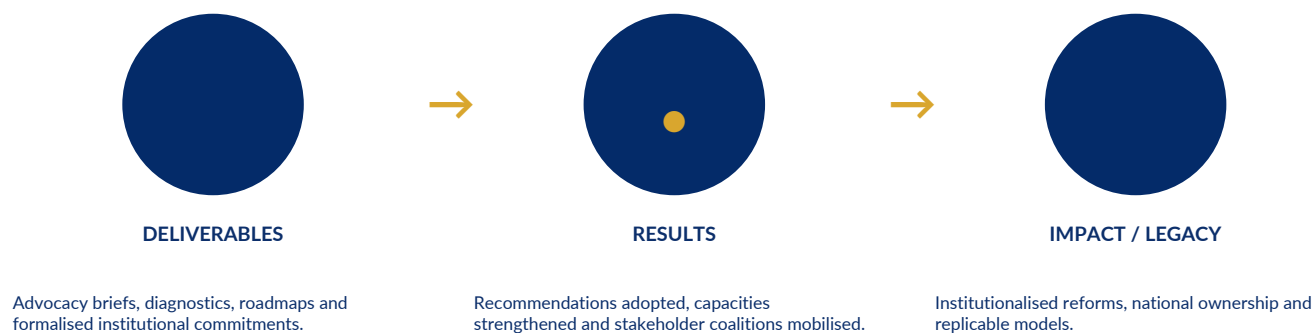

7

Strategic Foresight Observatory

Track countries under watch through early warnings, strategic notes and executive briefings.
Provide bulletins and decision-support analysis for public officials and parliamentarians.

From Deliverables to Institutional Legacy

TARGET PARTNERS

Governments - UN / AU / EU - donors - development banks - universities - think tanks - private sector - civil society

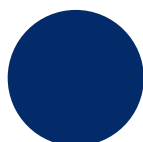

RESOURCE MOBILISATION

Multi-year funding - co-financing - consortia - thematic funds - philanthropy - public-private partnerships

FINAL IMPACT

Better-informed decisions, stronger institutions, reformed policies and sustainable national capacities.

Roadmap, Priorities & Governance

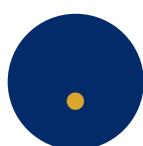

2026 - POSITION & DESIGN

Finalise priority offers, prepare advocacy briefs and concept notes, identify anchor partners and initial funding sources.

2027-2028 - PILOT & DEMONSTRATE

Conclude partnerships, launch pilot projects, advance advocacy in high-level forums, document results and build consortia.

2029-2030 - SCALE & INSTITUTIONALISE

Scale solutions, institutionalise reforms, secure sustainable funding and consolidate the legacy.

GOVERNANCE & COMPLIANCE

Ethics • Transparency • Accountability • Data protection

Conflict-of-interest prevention • Regulatory compliance
